Petromann fly high with legendary cricketers and creating sporting success

July 17, 2020

By K.R. Nayar

Wasim Akram, Virender Sehwag, Sandip Patil, Dwayne Bravo, Yuvraj Singh, and Lasith Malinga, have all experienced the professional approach of Petromann Events, a leading sports solution provider in the UAE. From transforming a tennis ball cricket tournament into a whopping success, Petromann spread their wings and supported teams to make them winners, and thus won the hearts of international cricketers and officials.

Latif Khan with Wasim Akram

UAE based Petromann, a leading sports solution provider, has proved that whatever they venture into, promote, or organise, has turned into a major success. Be it 10PL, the world's richest tennis ball tournament that they launched, or forming the Maratha Arabians franchise team (the defending champions of the Abu Dhabi T10 Premier League), or launching of the Mahendra Singh Dhoni Cricket Academy in the UAE, or managing India's indoor cricket team in the 2017 Indoor World

Imran Nazir launches richest gully cricket

Dubai: Pakistan former Test opener Imran Nazir launched 10PL, the richest ever gully cricket tournament to be played with tennis ball at the Sharjah Cricket Stadium this month end, during a colourful ceremony held at the Hyatt Regency on Friday evening.

This tournament, which has Indian opener Virender Sehwag as their brand ambassador, with prize money of Dh250,000, will be contested by 16 teams and held under the auspices of the Sharjah Cricket Council. Abdul Latif Khan, a popular gully cricketer in Mumbai during the nineties, who envisaged this tournament, announced the names of the teams from India, Pakistan, Saudi Arabia, Qatar, Oman and the UAE.

Zulqarnain Haider makes unforeseen return to cricket

Wicketkeeper last played for Pakistan six years ago

Former Pakistan wicketkeeper Zulqarnain Haider, who walked away from the national side to seek asylum in the United Kingdom, now plays private tennis ball T20 tournaments in the United States alongside his job in the banking sector.

Six years ago Zulqarnain was playing for Pakistan against South Africa in the United Arab Emirates. The five-match ODI series was all square when, on the morning of the fifth ODI, the wicketkeeper was nowhere to be found. He had abandoned the national team's hotel and boarded a flight to the United Kingdom to seek asylum after he had allegedly received life-threatening calls to throw in the next match.

Organisers revise schedule of Sharjah tennis ball cricket event

Jan 22, 2016 11:01

SportzPower Team

DUBAI: 10PL, organisers of what is claimed to be the world's biggest tournament for tennis ball cricket, on Sunday announced the new schedule for the event.

The tournament will be staged from 19-23 March at the Sharjah Cricket Stadium.

The revised schedule means that the teams hoping to register for the tournament, can now do so by 20 January 2016 by simply emailing register@10pl.net

Former Pakistan paceman and captain Wasim Akram had earlier been named tournament brand ambassador. As the face of the tournament, Akram will make an appearance on the final day of the tournament at Sharjah.

The tournament boasts the highest prize money for tennis ball cricket anywhere in the world and is valued at a total of 250,000 Dirhams.

In 2016, 16 teams participated in 10PL and for the second edition a total of 20 spots are up for grabs. This year, the tournament is also expected to attract teams from a number of major corporate houses as well.

Thank You!

The background is a dynamic, futuristic scene. It features a green field at the bottom, possibly a stage or arena floor. Above it are several curved, layered structures in shades of blue and yellow, resembling stadium seating or architectural elements. The scene is filled with glowing light effects, including vertical beams of light, horizontal streaks, and numerous small, bright particles that create a sense of depth and movement. The overall color palette is dominated by warm tones like orange, yellow, and red, with cooler blues and greens providing contrast.
